POSITIONING

KYNETIK KONCEPTS BUILDS
ONE-OF-ONE CARBON
OBJECTS FOR PEOPLE WHO
COLLECT PERFORMANCE,
NOT JUST OWN IT.

CATEGORY

Carbon coachbuilding

OUTPUT

One of one, numbered

AUDIENCE

Collectors, not buyers

THE BRAND

VALUES

PRECISION

Tolerances are published, measured and held.

PROVENANCE

Every build is numbered, documented and traceable.

RESTRAINT

Nothing is added that the object does not need.

PATIENCE

The work is released when it is finished, not when it is due.

THE BRAND

TONE OF VOICE

ON BRAND

Forged carbon monocoque. 412 kg dry.
Twelve built, each numbered and
weighed before it leaves the atelier.

OFF BRAND

Unleash your dream ride! Our game-
changing carbon builds elevate every
journey into something truly
unforgettable.

State the specification. The
specification is the claim.

One superlative per surface, or none.

Third person. No exclamation marks.
No emoji.

KYNETIK

STACKED

MONOGRAM

The default. Use the primary lockup unless the format physically prevents it.

Narrow and square formats only: covers, plaques, portrait applications.

Where the name is already established: parts, avatars, embossing, favicons.

CLEARANCE ZONE

Clearance on all four sides equals the diameter of the monogram.
Nothing enters that field: no type, no rule, no image edge.

MINIMUM SIZE

Below these sizes the lockup loses the counter in the K.
Use the monogram alone instead.

TYPOGRAPHY

THREE TIERS

PRIMARY

BROCHE

QUIET POWER

Headlines, titles, section markers, numerals. Uppercase only. Tracking 0.05–0.24em.

SECONDARY

Helvetica

Twelve built. Each one weighed.

All body copy, labels, captions, tables. Sentence case. Neutral tracking, 1.55 leading.

TECHNICAL

IBM Plex Mono

KK-599-RF / 412 kg / 001 of 012

Specifications, dimensions, part and build numbers, certificates. Never body copy.

Never mix two faces inside one line. Broche carries weight through scale and tracking, never through bold or italic.
